Abstract

5

This is the abstract.

6

¹ Department of X, University of Y, Address Z

7

Introduction

8

Test citation McMillan and Hu (2017)

9

Equation Eq. (1),

$$y = mx + b \tag{1}$$

10

Methods

Table 1: Demonstration of simple table syntax.

Right	Left	Center	Default
12	12	12	12
123	123	123	123
1	1	1	1

Implications and Discussion

Timetable

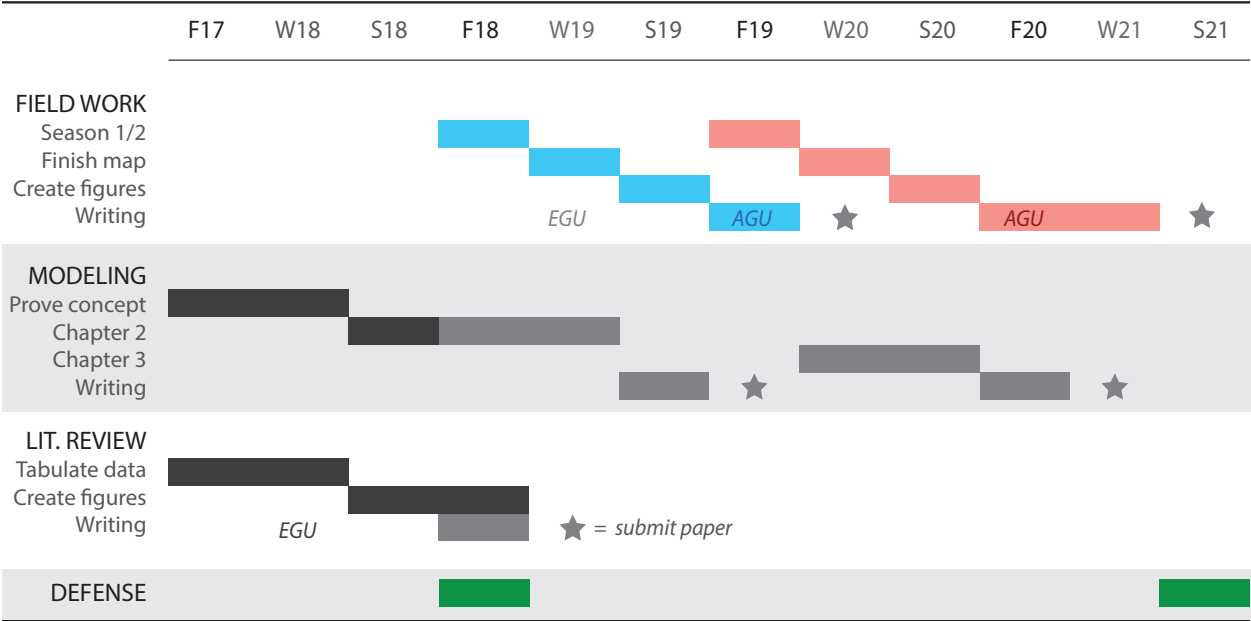

Figure 1: The project’s timetable is organized by its major parts (Part I, II and III, above). Black squares mark completed tasks. EGU: European Geosciences Union conference (April). AGU: American Geophysical Union conference (December). F17, W18, etc.: fall, winter, summer semesters
